To the Parent/Guardian of

Your child is eligible for additional academic support through our Basic Skills Instructional (BSI) program. This support is done during a small group pull-out period approximately 3-5 times per week. Placement is determined based on student performance from the previous year, teacher recommendation, school administered diagnostic tests, and NJASK scores. Your child's teachers for basic skills instruction in Language Arts will be either Ms. Lynn West or Mrs. Lorna Breiter and in Mathematics will be either Ms. Lynn West or Ms. Terese Reese.

The Red Bank Charter School is committed to helping every child achieve success. Specific academic goals will be set to address your child's academic needs while highlighting their strengths. If you have any questions regarding the Basic Skills program, please contact us.

Your child will receive instruction in:

Mathematics _____

Language Arts _____
