March 16, 2020

Dear Parents/Guardians:

This afternoon Governor Phil Murphy announced the closure of all schools in the State of NJ, starting Wednesday, for an undetermined amount of time. Therefore, our school will remain closed until further notice. Please continue to check the district website for continual updates and resources.

We will continue our “grab and go” meal pick up; however, the location will change starting on Thursday the 19th. Tomorrow, March 17th, meals will be available again at the YMCA from 10 am to 11 am. Starting on Thursday and moving forward, meal pick up will be at Lunch Break (121 Drs. James Parker Boulevard) according to the same schedule previously communicated. 1 meal for breakfast and lunch on Mondays, 2 days worth of meals for pick up on both Tuesdays and Thursdays. The pick up time is from 10 am to 11 am.

I do hope that everyone had a positive experience today regarding virtual learning. Comcast and Verizon have made accommodations to assist individuals with accessing the Internet. If you know someone who needs assistance, please tell them to contact either company. Please know that all teachers are available via email should you have any questions. I too am available via email to answer your questions.

Please stay well. Utilize care consistent with spreading any virus such as routine hand washing and limiting touching your face. My thoughts are with all of you during these unprecedented times.

Sincerely,

Kristen Martello, Ed.D.

Head of School
